12th Annual East AfricaCom 2015

Monetisation and Partnership Strategies to Further Growth in Africa's Most Innovative Digital Market

Dubai - May 06, 2015: <p>East AfricaCom represents the most advanced region of the continent for mobile and digital communications, mobile money and ICT development. From and established 12 years supporting the market the East AfricaCom event will showcase the innovators and business leaders that are creating the next phase of the digital ecosystem. This spans from high level infrastructural projects, broadband and LTE rollout while recognising the key challenges for rural telecoms, reducing the costs of 3G networks and boosting data usage.</p>
